

JOB DESCRIPTION

PEPSICO GRADUATE PROGRAM

Do you want to kick-start your international career with one of the biggest global brands?

Are you a recent graduate or young professional with up to 3 years of work experience? This opportunity is a good fit for you.

The application platform for the Graduate Programs in **Central Europe (Serbia, Romania and Poland)** is now open!

This is the opportunity for you to compete for a 2-year rotational graduate program at PepsiCo. They are calling for final year students, recent graduates, or professionals with up to 3 years of work experience in Poland, who speak English and the language of the chosen location of the program!

☛ You can register here! https://bit.ly/PepsiCo_Central_Europe

Are you ready to make a move that will build your skills, provide you with critical experiences, and launch your career? Check the job description below to see how you can grow as a graduate!

Profile:

- You are a final year student, recent graduate, or a professional with up to three years of work experience
- You have full-time availability to join the graduate program in September 2022
- You are innovative, passionate and creative
- You love to seek out new opportunities and challenges
- You have the eligibility to work in the targeted country
- You are a fluent English speaker, and must speak local language

Benefits:

Aside from the 2/3 years program, entering PepsiCo's Graduate program offers you:

- Personal career development within a leading global brand
- The chance to present your idea to industry experts at the Europe finals and win additional prizes
- Participation in a European community from Day 1
- A Mentor who will guide you and share business knowledge
- Great benefits, on top of growth possibilities and support with continual learning and development.

Localisation:

The graduate program is open in different European countries.

If they are not interested in entering a GP in Central Europe, they can also pre-register for another country here: https://bit.ly/PepsiCo_General

You can apply to more than one program and grow your internal experience with opportunities in the following countries: Poland, Netherlands, Belgium, Turkey, Spain, Serbia, Greece, Romania, United Kingdom... You can take your chance with several programs!

Start your application and build the future of the food and beverage industry now!
